

Their Little Princess (Mills & Boon M&B)

After a devastating heartbreak, Dr. Kelly Hall had given up all hope of family and happiness. Then single father Tanner Malone breached her lonely existence with a magnetic virility that was hard to resist. His charming smiles and come-hither glances drew her like a moth to a flame, and watching Tanner cradle his infant daughter had her yearning for what she'd been missing from her life. But Kelly could never let down her defenses, especially since she harbored a secret that she'd risk all to hide. Nonetheless, she wished that Tanner's little princess was THEIR little princess, and that she could call father and daughter her own.
