

## True Colors

Jamie Garland loved working for the eccentric Miss Isabel. Her job often threw her into the company of the most fascinating people ... like Cade Santerre. From the start, he made no secret of the fact that he desired her. And only last night, he tenderly made love to her....A morning visit from the authorities changed everything. And, angry over Cade's apparent betrayal, Jamie sent him away. But weeks later a question still burned within her--one that could only be answered by seeking out Cade.
