

Tell Me You Need Me

Chloe Franklin wouldn't call herself a commitment-phobe, so much as she's allergic to anything long term. She loves the sexy, sweaty, and intensely hot hours of the night that come before the sun rises, though. Especially when those nights are spent with Search-and-Rescuer Gage McGraw... Gage loves his job, but there is one thing he's starting to like more than the rush of a mission: a stacked blonde with a mouth that haunts his dreams. Every time he steps foot in the sleepy town of Beaufort, he hooks up with Chloe. But he's tired of hook-ups. He wants more. Just the sight of Gage gets Chloe's blood going. Hot, bothered, and finally naked, she's ready for their night to start. But before he takes her, he whispers what his intentions really are and then the games really begin.
