

## DO IT TO A FINISH. (Timeless Wisdom Collection Book 46)

Excellence! That has to be our motto in life. Do everything with all our might, to the best of our abilities, everything! As the author tells us: I was much impressed by this motto, which I saw recently in a great establishment, WHERE ONLY THE BEST IS GOOD ENOUGH. What a life-motto this would be! How it would revolutionize civilization if every one were to adopt it and use it; to resolve that, whatever they did only the best they could do would be good enough, would satisfy them! Adopt it as yours. Hang it up in your bedroom, in your office or place of business, put it into your pocket-book, weave it into the texture of everything you do, and your life-work will be what every ones should be A MASTERPIECE.
