

# Why Do Muslims Reject the Word of Allah?

This book is an in depth and unbiased study of Islam, the Quran and Islamic Doctrinal beliefs as compared to the Old and New Testaments. The subjects of the Five Pillars of Islam, Jihad, Paradise, the Life and Events in the Prophet Muhammeds life, why most Muslims are taught to refuse to read and study the Old and New Testaments and so much more. Muslims are taught that the Old and New Testaments have been corrupted and since the Prophet Muhammed was the last in a long line of Prophets that the Quran is more important then any other of the Revelations sent down to mankind by Allah. Therefore the Bible is of a lesser value to Islam. However the Quran does not agree with that doctrinal belief. Surah 2:136 Say (O Muslims): We believe in Allah and that which is revealed unto us and that which was revealed unto Abraham, and Ishmael, and Isaac, and Jacob, and the tribes, and that which Moses and Jesus received, and that which the Prophets received from their Lord. We make no **DISTINCTION** between any of them, and unto Him we have surrendered. Translated by Picktall. By this one verse alone we are told that in the eyes of Allah, all of the Prophets and all of the revelations sent down to mankind all hold equal value. Which means that when Muslims refuse to read and study the Old and New Testaments they are rejecting the Word of Allah. So the bigger question is, Have the Old and New Testaments truly been corrupted? The answer is in the Quran! Surah 39:62 Allah is the Creator of all things, and He is the **GUARDian** and Disposer of all affairs. Translated by Yusuf Ali. Surah 4:46 Among those of the Jewish faith there are some who distort the meaning of the [revealed] words, taking them out of their context and saying, [as it were,] We have heard, but we disobey, and, Hear without hearkening, and, Hearken thou unto us, (O Muhammad) thus making

a play with their tongues, and implying that the [true] Faith is false. And had they but said, We have heard, and we pay heed, and Hear [us], and have patience with us, it would indeed have been for their own good, and more upright: but God has rejected them because of their refusal to acknowledge the truth - for it is in but few things that they believe. Translated By Asad. By these two verses we are told by Allah that he is the Gardian of all things which means the Old and New Testaments are guarded as well. In Surah/Chapter 4:46 we are told by Allah that the interpretation of the revealed Word sent down to the Hebrews was corrupted. but says nothing at all about the Word itself being corrupted. The Quran also says that words have been moved out of their place and that the Word of Allah can not be changed. The Doctrinal Belief that Muslims should not read and study the Old and New Testaments does not exist in the Quran and is a MAN MADE DOCTRINAL BELIEF. Did you know that Muslims believe that a Jewish Jesus will return and kill nonbelievers? Or that according to the Quran Muslims will be served by everlastingly fresh and beautiful boys in Paradise? Did you know that the Prophet Muhammed was influenced Catholicism, Gnosticism and Paganism? Or that before Prophethood Muhammed,s profession required him to be educated in reading, writing and math?
