

# Where Angels Walk

Just when you thought you were alone, along comes *Where Angels Walk*, the heartwarming, spine-tingling, TRUE account of people just like you. People who, in a time of need, found themselves in the loving presence of Beings who led them out of the threatening darkness and into the light of hope. Defying explanation or description in our everyday terminology, the Beings they encountered can be called only angels. For years, many of these people have cherished their extraordinary experiences in the secret depths of their hearts. And then author Joan Wester Anderson encouraged them to come forward with their spiritual treasures. Now YOU can share their wonder and their awe and, by sharing it, transform and enhance your life.
