[Siren Everlasting Classic ManLove: Erotic Alternative Paranormal Romance, M/M, shape-shifters, HEA] Who said being human was easy? When Jaycee decided to walk home after his car died, he had no idea his life was about to take a turn for the worst. A stranger attacks him in his own backyard, but Jaycee soon finds out that the man isn't human. Wolf was on the hunt for a hell hound, but found his mate instead, and he was injured by the one very creature whose bite was lethal to humans. Taking his mate home, Wolf worried that Jaycee wouldn't live through the night. The winged beasts soon find that not only was Wolf's mate in danger of dying, but the king of Zanthar hadn't forgotten about them. He sends his gift in the form of two brimstone demons who are ten feet tall and spit acid. Will Wolf's mate survive his attack, and will the winged beasts survive the king's gift? As the fight for not only Jaycee's life begins, so does the trouble that continually unfolds for the winged beasts. \*\* A Siren Erotic Romance
